

# Ideation Phase

## Brainstorm & Idea Prioritization Template

Date	28 octoberr 2023
Team ID	NM2023TMID00964
Project Name	BLOCKCHAIN TECHNOLOGY FOR ELECTRONIC HEALTH RECORDS
Maximum Marks	4 Marks

### Brainstorm & Idea Prioritization Template:

#### Step-1: Team Gathering, Collaboration and Select the Problem Statement

The screenshot displays the Mural brainstorming template interface. The browser address bar shows the URL: [app.mural.co/t/priyadharshini5093/m/priyadharshini5093/1698583574830/24b91ae7ed12c64c4530fbb7e847a9567237d34a?sender=u34e5c075144...](https://app.mural.co/t/priyadharshini5093/m/priyadharshini5093/1698583574830/24b91ae7ed12c64c4530fbb7e847a9567237d34a?sender=u34e5c075144...). The interface includes a sidebar with a 'Template' section and a main workspace with three columns:

- Before you collaborate**: A little bit of preparation goes a long way with this session. Here's what you need to do to get going. 10 minutes.
  - Team gathering**: Define who should participate in the session and send an invite. Share relevant information or pre-work ahead.
  - Set the goal**: Think about the problem you'll be focusing on solving in the brainstorming session.
  - Learn how to use the facilitation tools**: Use the Facilitation Superpowers to run a happy and productive session. [Open article](#)
- Define your problem statement**: What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm. 5 minutes.
  - Problem: How might we [your problem statement]?
- Brainstorm**: Write down any ideas that come that address your problem statement. 10 minutes.
  - Person 1**: Brainstorming ideas for blockchain technology in electronic health records. Focus on security, privacy, and interoperability.
  - Person 3**: Brainstorming ideas for blockchain technology in electronic health records. Focus on security, privacy, and interoperability.

The workspace also features a 'Key rules of brainstorming' section with icons for 'Stay in topic', 'Defer judgment', 'Go for volume', 'Encourage wild', 'Listen to others', and 'If possible, be visual'. A 'Share' button is visible in the top right corner. The bottom of the screen shows a Windows taskbar with the search bar and system clock indicating 10:24 AM on 10/30/2023.

## Step-2: Brainstorm, Idea Listing and Grouping

The screenshot shows the Mural workspace for Step 2. The left panel, titled "Brainstorm", contains a "Write down any ideas that come to mind that address your problem statement." section with a 10-minute timer. Below this, four sticky notes are arranged in a 2x2 grid, each representing a person's ideas. The right panel, titled "Group Ideas", contains a "Take turns sharing your ideas while clustering similar or related notes as you go." section with a 20-minute timer. Below this, a sticky note is visible. The bottom of the workspace shows a Windows taskbar with the search bar and various application icons. The top of the workspace shows the Mural toolbar with various icons and a share button.

**Brainstorm**  
Write down any ideas that come to mind that address your problem statement.  
10 minutes

**Group Ideas**  
Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.  
20 minutes

**Person 1**  
Step 1: Identify the problem statement. Write down any ideas that come to mind that address the problem statement.  
Step 2: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 3: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 4: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.

**Person 2**  
Step 1: Identify the problem statement. Write down any ideas that come to mind that address the problem statement.  
Step 2: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 3: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 4: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.

**Person 3**  
Step 1: Identify the problem statement. Write down any ideas that come to mind that address the problem statement.  
Step 2: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 3: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 4: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.

**Person 4**  
Step 1: Identify the problem statement. Write down any ideas that come to mind that address the problem statement.  
Step 2: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 3: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.  
Step 4: Identify the current challenges or opportunities. Write down any ideas that come to mind that address the challenges or opportunities.

## Step-3: Idea Prioritization

The screenshot shows the Mural workspace for Step 3. The left panel, titled "Idea Prioritization", contains a "Write down any ideas that come to mind that address your problem statement." section with a 20-minute timer. Below this, a sticky note is visible. The right panel, titled "Idea Prioritization", contains a "Take turns sharing your ideas while clustering similar or related notes as you go." section with a 20-minute timer. Below this, a sticky note is visible. The bottom of the workspace shows a Windows taskbar with the search bar and various application icons. The top of the workspace shows the Mural toolbar with various icons and a share button.

**Idea Prioritization**  
Write down any ideas that come to mind that address your problem statement.  
20 minutes

**Idea Prioritization**  
Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.  
20 minutes

**Engage in an open discussion where members can share their thoughts, ask questions, and express their opinions on the topic.**

**Encourage brainstorming on how to overcome the challenges mentioned earlier and how to promote the adoption of blockchain in EHR.**

**Share any consensus reached within the group regarding the potential of blockchain in EHR.**

**Importance**  
If each of these ideas could get done without any difficulty or cost, which would have the most positive impact?
